The Weather

FORECAST—Tonight and Thursday fair, not much change in temperature.

ALBUQUERQUE WEATHER—We still have to apologize for the absence of any weather in this town. The weather man is taking a long vacation; and with this kind of stuff we don't need him anyway.

Things Doing Tonight.

Speaking Republican headquarters, which speaking politics all street corners, 7 to midnight.

Worth Knowing.
"How do you do?" That's English and American. "How do you carry yourself?" That's French. "How do you stand?" That's Italian. "How do you find yourself?" That's German. "How do you fare?" That's Dutch. "How can you?" That's Swedish. "How do you perspire?" That's Egyptian. "How is your stomach?" That's Chinese. "How do you have yourself?" That's Polish. "How do you live on?" That's Russian. "May thy shadow never be less?" That's Persian—and all mean much the same thing.

DIAMONDS

At Actual Wholesale Cost

A year ago, before the tariff went into effect, we bought DIAMONDS very largely in anticipation of the expected boom. The boom is coming, but rather than have our money tied up in diamonds we have resolved to offer them during month of April at wholesale cost for cash. It is useless to quote prices on diamonds as their worth depends on the color, cut and purity of the gem. But if you want a DIAMOND and want to buy it cheap, we believe we can convince you that this is your opportunity. In the fall you will pay at least ONE THIRD MORE than you can now buy them for. Every diamond we have, and we have some very fine ones, is included in this offer. A deposit will reserve any diamond we have until May 1st at which time this special sale will end. Diamonds are always advancing in price and we could make money by holding them, but we have decided to let them go. A money return guarantee will be given upon request.

at the state convention of teachers. Mrs. Strumquist announced that she would give a prize of \$3 for the best essay on the value of physical culture.

DR. LIGHT WILL VISIT CITY SCHOOLS TOMORROW

Dr. C. M. Light, president of the New Mexico Normal school at Silver City, will arrive in Albuquerque tomorrow morning and will be the guest of the local school authorities during the day. Dr. Light will visit all of the schools during the day under the guidance of Superintendent Milne, and also will inspect the new high school building. Following the school hour he will meet with all city school teachers at the central building.

Plans for the two schools are already being made. County Superintendent of Schools, Atanasio Montoya, it is hoped to begin work on the structures early in May, so that they will be finished in ample time for the beginning of the new school year.
